Preposition

A word or phrase that is used before a noun or pronoun to show place, time, direction etc.

For example :- At, with, from, over, after, before, of, into, inside etc.

Under

A cartoon monkey is hanging from a brown tree branch. The monkey is light brown with a pink face and belly. The tree has green foliage.

In

A small grey bird with a yellow beak is perched on a brown tree trunk. The tree has green foliage.

ON

A green frog is sitting on top of a red mushroom with white spots. The mushroom has a yellow stem.

Between

Two red mushrooms with white spots and yellow stems are shown. A purple path leads between them. A small green frog is on the path.

Behind

A small brown bear is peeking out from behind a brown tree trunk. The tree has green foliage.

Proper Noun:

The specific name of a particular person, place, organization, etc. eg: John, London, etc.

Collective noun:

A name for a group or collection of people, animals, or things that is considered a single unit. eg: team of fish, etc.

Abstract

Nouns for ideas that cannot be seen or touched. eg: happiness, anger.

Material Noun:

The name of a material or substance from which things are made. eg: Gold, wood, metal, etc.

Prefixes

Prefix is a group of letters added to the beginning of a base word to change the meaning and create a new word.

Im + Possible = Impossible
