

Report of Career Guidance Seminar

A Career Guidance Seminar was successfully organized on 10th January 2026 at Lala Jagat Narayan Education College, in collaboration with Arora Classes, Bathinda for the students of B.Ed. and D.El.Ed. courses. Under the able leadership of Principal Dr. Neetika, the guidance and counselling cell took the initiative of organizing this program with the objective of creating awareness among students about various career opportunities, competitive examinations, and professional pathways after graduation.

The program commenced with a welcome address by Ms. Aarti, assistant professor, Lala Jagat Naryan Education College, who highlighted the importance of career planning in today's competitive and dynamic job market. The eminent personality Mr. Ravindra Sachdeva, Director, Arora Classes and Mr. Ashim Mittal, HoD (Education), Arora Classes, shared valuable insights regarding different career options in the fields of teaching, civil services, banking, defense services, and other professional courses. Special emphasis was laid on PSTET, CTET, and other teacher eligibility examinations, including preparation strategies, syllabus orientation and time management techniques.

The speakers motivated students to identify their interests, strengths and aptitude while choosing a career. They also guided students on setting realistic goals, developing self-discipline and adopting a positive attitude towards continuous learning. Interactive sessions were conducted where students actively participated and raised queries related to career selection, exam preparation and future prospects. The resource persons addressed all queries patiently and provided practical suggestions.

The seminar proved to be highly informative and inspiring. The program concluded with a vote of thanks by Dr. Richa Arora, assistant professor, Lala Jagat Naryan Education College, expressing gratitude to the resource persons, organizers, and participants for making the seminar a grand success.

Overall, the Career Guidance Seminar was a fruitful and enriching experience for the students and fulfilled its objective of guiding them towards a well-planned and successful career.
