Painting exhibition and rangoli making competition was organized in Lala Jagat Naryan education college under the Janbhagidari activities as per NCTE guidelines in the college campus. These activities were organized to let the students grow up with understanding of Creativity and Imagination through all the activities. Students displayed their creativity by making beautiful rangolis on the topic of G20. The children had pre-planned their patterns and had come prepared with all the materials, they required for making them. The criteria for judgement were the selection of the design, neatness, clarity, color combination and creativity or new ideas implemented by the students to make their design more presentable.

All the teams put in their best efforts and after the competition the college lobby was sparkling with such beautiful use of colors and designs. Painting exhibition was also set up by the students. Students chose various topics as teacher-student relationship, gender sensitization, gender equality and mental wellness. Students showcased their great talent and vision through their paintings. Winners were chosen by the principal and the staff. Officiating principal, Mr. Amandeep highly appreciated the efforts of student who put up such great show in limited time and encouraged them to keep doing well in all spheres of life.
