

### **Institutional Distinctiveness 2023-24**

Institutional distinctiveness of the college is evident in its systematic approach to quality enhancement, academic excellence and holistic student development. The institution functions in alignment with its vision and mission, aiming to provide inclusive and skill-oriented education. Academic programs are designed to meet contemporary educational requirements while nurturing ethical values, critical thinking and social responsibility among students.

The Internal Quality Assurance Cell (IQAC) of the college ensures the effective implementation of quality benchmarks through regular meetings, academic audits, feedback mechanisms and documentation of best practices. It promotes a culture of continuous improvement by organizing seminars, workshops and initiatives related to teaching-learning innovations, research and institutional governance.

Various academic and co-curricular clubs significantly contribute to the institutional distinctiveness of the college. Subject-based clubs, language clubs and skill development clubs celebrate international literacy day, organize lectures, debates, exhibitions and hands-on activities to strengthen subject understanding and communication skills. Cultural clubs provide platforms for music, dance, drama and literary activities, promoting creativity and cultural awareness. Sports and fitness clubs encourage physical well-being, discipline, teamwork and participation in intercollegiate competitions.

The college also actively promotes social responsibility through extension and outreach clubs such as NSS, Red Ribbon Club and community service groups. These clubs conduct activities including cleanliness drives, tree plantation programs, celebration of environment day, international youth day, health and hygiene initiatives like celebration of international yoga day and international day against drug abuse, gender sensitization programs and social outreach activities. Such initiatives help students develop leadership qualities, empathy and a strong sense of civic engagement.

Through the organization of Zonal Youth and Heritage Festival, coordinated efforts of IQAC, academic departments and various clubs, the college has established a distinctive identity marked by quality, innovation and social commitment.
