About the College

The college was established to serve the noble cause of education. Our aim is to provide Moral, Religious, Cultural, and Social Education to teacher trainees for the harmonious development of their personality. The college is a co-educational institution with a purely secular outlook. It is situated in a calm and pollution-free environment, with its own building located at Sri Muktsar Sahib Road, Jalalabad (W). Besides high academic caliber, the teaching staff forms a cooperative team of hardworking individuals with excellent moral character. This goes a long way in uplifting the overall tone of the institution. Our college is NAAC-accredited with an "A" Grade in Fazilka District, recognized by N.C.T.E. and affiliated to Panjab University, Chandigarh.

Our Inspiration

The objective of Lala Jagat Naryan Educational Society, Jalalabad (W) is to establish and run Educational, Technical and Professional Institutions for the promotion of education, particularly in this backward region of the state. To fulfill and objectives, the society has established Lala Jagat Naryan Education College in the cherished memory of Late Lala Jagat Naryan, a freedom fighter, a fearless Journalist and social activist. Ancestors of Lala Jagat Naryan Diwan Mall Raj Chopra was trusted official of Shere Punjab Maharaja Ranjit Singh who resided in Wazirabad now in Pakistan. Lala ji was born on 31st May 1899. He was the only son of Shri Lakhmi Das and Smt. Lal Devi. At British time his father was the S.H.O. (Thanedar) at Bikaner who left his job after being hurt due to unworthy behaviour of British Police officers. He passed his matriculation in 1816 and joined D.A.V. College, Lahore where he was greatly inspired by the Principal, Mahatma Hans Raj Ji. The Jallianwala Bagh massacre affected Lala Jagat Naryan and he joined freedom struggle on the call of Mahatma Gandhi in 1920. "In 1924, he worked as the Editor of 'Akash Vani' a paper started by Bhai Parmanand. Besides he also contributed articles to other papers such as the 'Milap' and the 'Pratap' Later on, he set his own press at Lahore. Lala Ji participated in all the Satyagraha movements launched by the congress under the leadership of Mahatma Gandhi and was in jail for about nine years on different occasions. His wife and other members of the family also suffered on account of their participation in the freedom movement". He built up the great institution of the Hind Samachar group of Newspapers. These newspapers had a distinct personality of their own. The journalistic courage that Lala Ji had shown was most remarkable. To protect the integrity of India, Lala Ji used both this pen and his voice and earned himself great fame. A significant fact in his journalistic achievement is that his fearless crusade against the forces of disunity in Punjab made the communal forces in the state fear his pen. As a Minister he was a man of vision particularly with regard to his portfolio that was given to him, that is education. When freedom came it provided the chance for any man with a vision to try to translate in to ideas as to what the nation should be, how the nation should be molded. As an Education Minister, Lala Ji saw his role as crucial to frame the thinking of the new generation.

Our Vision

Vision is created by the present reality and 21st century demands committed manpower to fulfill its diversified needs. Therefore, Lala Jagat Naryan Education College focuses on developing the potential of pupil teachers from rural and backward areas by imparting knowledge, habits, skills, values, and attitudes. We aim to empower them to face modern challenges and make a meaningful impact in the field of education. We shape future educators on the foundations of modernization, turning them into the strong pillars of our nation.

Our Mission

- Ensure superior preparation and societal performance of every pupil teacher.
- Enhance Educational and Vocational Effectiveness among rural area pupil teachers.
- Open Progressive Avenues for students from backward regions.
- Contribute high-quality professionals and competent nation-builders to the world of education.
- Develop Cognitive Competencies for better employability.
- Integrate Science and Technology with culture through curricular and co-curricular activities.
