LALA JAGAT NARYAN EDUCATION COLLEGE,

Village Arian Wala, Jalalabad

WASTE MANAGEMENT CELL

The Waste Management Cell of Lala Jagat Naryan Education College has been established to ensure that all the waste generated in the college is managed effectively and efficiently. It is responsible for the collection, storage and disposal of all the waste materials generated in the college. It also monitors and controls the waste generated and develops strategies to reduce the amount of waste.

The cell is headed by the Principal of the college, supported by staff members. They are responsible for establishing and maintaining a proper waste management system and educating students about the importance of proper waste management. The cell also coordinates and monitors the various waste management activities in the college.

AIMSANDOBJECTIVESOFWASTEMANAGEMENTCELL

1. To make people aware of the importance of waste management in the college.
